WHAT TO DO

- Vacuum regularly with a soft brush to remove dust from the weave.
- Thanks to the Quick Clean treatment, many stains come off with a cloth dampened with lukewarm water.
- If there's a fresh stain, blot straight away with a clean, dry cloth, without rubbing.
- If needed, wash the cover at 30° on a gentle cycle; no tumble dryer.

Always follow these instructions: we cannot accept responsibility for problems caused by washing methods or products other than those indicated.
