HOW TO LOOK AFTER IT

Every Garavini cover is designed and made with care. A little attention keeps it beautiful for years: here is how to look after this leather.

Composition: Cowhide, European origin

Martindale 500,000 cycles (9 kPa) · Light fastness 5

WHAT TO DO

- For everyday cleaning, a soft cloth dampened with water is all you need.
- Thanks to the Easy Clean finish, liquids and stains stay on the surface: blot straight away.
- For more stubborn dirt use water and mild soap, then dry with a soft cloth.
- Avoid solvents and abrasive products, and prolonged exposure to direct sunlight.

Always follow these instructions: we cannot accept responsibility for problems caused by washing methods or products other than those indicated.

Your sofa will thank you.
